HELPFUL TIPS

- Please bring your valid driver's license when you pick up the vehicle. If your driver's license is not issued in the US, then you must present your passport in addition to your driver's license.
- A credit card is required in order to pick up the vehicle. Avis accepts most major credit cards. At the time of the rental, we will request an authorization (hold) on your credit card for the estimated rental charges.
- If you are planning to use a debit card, please read our [debit card terms and conditions](#) for more information about the use of these types of cards. When using debit cards at airport locations, proof of a return flight that coincides with the rental must be shown.
- If during your rental you connect or pair your mobile device with the car (for instance via Bluetooth® or USB port), please unpair your device and delete any personal data stored on the car's infotainment system upon returning the car.
- If you have any questions in advance of your vehicle pick up, please call 1-800-633-3469
